

## INSTANT FUNDRAISER

---

Here's how it works:

1. Fill in your school's name and order due date on the Fundraising Flier. Then copy the fundraising flier and order form for your students. We'll even supply the copy paper if you need it.
2. Send one flier home with each student.
3. Collect the completed order forms and checks made payable to DoodlyCouch.
4. Using the "Order Summary" form, submit your order and checks to DoodlyCouch and, one week later, you will receive a check for 50% of the order amount submitted\*.
5. We'll send the ordered books to your school for delivery to students within just a couple of weeks.
6. That's it! Fundraiser completed!

If you have any questions at any time, please call us at 405-326-4116 or email us at: [Info@DoodlyCouch.com](mailto:Info@DoodlyCouch.com). We're here to help your fundraiser be successful!

No-Sell **Fundraising**

This is about as easy as fundraising gets.

Every student in your school is bringing home this flier. If you, the parent, buys one (or more) of the DoodlyCouch journals or workbooks, your school gets 50% of what you spend.

You don't have to sell these to anyone else, you don't even have to buy one yourself. If you don't, no problem. If you do, your school profits. That's it!

See the book details at [www.DoodlyCouch.com/products.html](http://www.DoodlyCouch.com/products.html) or on Amazon.com, BUT... you must order using the attached order form in order for your school to get credit for your purchase. Thank you for participating!
